Travelling

As Laotse already said: "A journey of a thousand miles begins with a single step."

We help you in each matter and have the intention that as much skaters as possible – whether they are professional or amateur skaters – should be able to take part in overseas races and those with exotic destinations.

For this purpose we will organize the trip to the WORLD INLINE CUP Top Class race of Suzhou (China). Let us know, who wants to dive into Asian culture to get to know the original town of Suzhou as well as the glamorous city of Shanghai and the “shopping city” Hongkong.

Certainly the top event will be the top race on Sunday on a new urban circuit in downtown Suzhou with many enthusiastic spectators along the road.
Make the first move and send an e-mail to info@iguana.ch, with the header “Suzhou”. We will contact you immediately.

We wish all skaters good luck, a successful season without any crashes and look forward to seeing you soon on the first race!
